The screenshot shows the IBM Cloud dashboard in a web browser. The browser's address bar displays 'cloud.ibm.com'. The dashboard header includes the IBM Cloud logo, a search bar, and navigation links for 'Catalog', 'Manage', and 'Sivaranjani G's Account'. A user profile dropdown menu is open on the right, showing options like 'Profile', 'Log in to CLI and API', 'Privacy', 'Change theme', and 'Log out'. The main content area is titled 'Dashboard' and features a 'For you' section with five cards: 'Build' (purple), 'Build a web app with Watson Speech to Text' (15 min), 'Get Started with Watson Studio' (2 hr), 'Build a Virtual Private Cloud (VPC)' (7 min), and 'Get started with Watson Discovery' (2 hr). Below this, there are four sections: 'News' (with links to WebSphere and IBM lifecycle services), 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status' (with a world map). The bottom of the image shows a Windows taskbar with the date '14-11-2022' and time '13:46'.
